

Advanced Distributed Generation, LLC

1331 Conant St., Maumee, OH 43537

Contact: John Witte 419/893-8565

E-mail: jwitte@advanced-dg.com

PV/wind system integrator specializing in the design, distribution, installation, and service of PV, wind, and solar heating systems.

Alternative Power Solutions

Eastpointe, MI

Contact: Philip Holdom 248/765-8786

E-mail: aps@wowway.com

Authorized Uni-Solar and Kyocera dealer. Provides system design, sales, and installation of PV/wind systems. Applications include: marine, RV, cabins, missionaries, water pumping, residential or commercial buildings.

Backwards to the Future Ltd. *

POB 409, Fennville, MI 49408

Contact: Richard Orawiec 269/236-6179

E-mail: info@btfsolar.com

Web: www.btfsolar.com

RE system design & site analysis in Michigan since 1988. OEM supplier of evacuated tube solar collectors for solar water heating. Specializing in solar hydronic and DHW products. Licensed, insured Michigan contractor.

Currin Corp.

5307 Sturgeon Ave., Midland, MI 48641

Contact: Cedric G. Currin 517/835-7387

Solar power systems for lighting, pumping, general power needs at remote USA, foreign sites and for power back-up. Solar power application and site analyses, system design, training.

Diversified Sales & Service

10750 Lewis Rd., Vanderbilt, MI 49795

Contact: Bob Suchey 231/549-3005

Specializes in vertical mount hot air panels. Repair of wall mount solar systems with complete inventory of new parts and complete file of over 10,000 Michigan systems. PV and wind also.

Event Horizon Solar & Wind

6080 Knoll Dr., Middleville, MI 49333

Contact: Kim M. Wagner 616/795-5285

E-mail: eventh@iserv.net

Web: www.eventhorizons.net

Full design services & equipment for solar & wind generated electric & solar thermal applications.

J&J Services - Energy Specialists

2267 N. Henderson Rd., Davison, MI 48423

Contact: John Malcomson 810/653-4391

Pool heat, PV, DHW, Space Heating (all solar). Window quilts, SIP construction, sunrooms. Sales, installation & service of the above.

Light Corp.

14800 172nd Ave., Grand Haven, MI 49417

Contact: 800-544-4899

E-mail: info@lightcorp.com

Web: www.lightcorp.com

Manufactures & sells the Solaris Solar Lantern. Lightweight, flexible solar panel & NiMHy battery.

Mechanical Energy Systems

8130 Canton Center, Canton, MI 48187

Contact: Joe Napolitano 800/29-SOLAR

E-mail: mechengy@mes1.com

Web: www.mes1.com

Services & installs residential & commercial solar pool heating systems. Installs & repairs solar hot water & solar hot air systems. Installs natural solar lighting & small electrical back-up systems.

Michiana Solar Products

602 Revere Dr., Goshen, IN 46526-1234

Contact: Hermann Nuyken 574/534-5087

E-mail: michianasolar@mymailstation.com

Retail installation & service of solar & geothermal space & water heating systems; automatic solar pool covers; wind generators; photovoltaic electrical power; 3 M scotch tinted window film.

Northwoods Energy Alternatives

7910 E. Obrien Rd., Lake Leelanau, MI

49653-9718

Contact: John Heiss 231/256-8868

E-mail: solar design@northwoodsenergy.com

Web: www.northwoodsenergy.com

Northwoods Energy specializes in supplying wind, solar, and hydro power systems for homes and businesses. Offers sales, installation, service, and design for remote and grid inter-tie systems.

Paton's Wind & Solar

9535 US 41 South, Skandia, MI 49885

Contact: Mark Paton 906/942-7544

Solar, wind & hydro electric power systems for light, heat, water, & grid back up. Selling all leading names in the industry. Applications include: RV, marine, pools, cabins, residential, & commercial.

SES Flexcharge

1217 State St., Charlevoix, MI 49720

Contact: Don Seelye 231/547-9430

Web: www.flexcharge.com

Manufacturer of Flexcharge ultra high efficiency controls for solar electric and wind systems. Distributor of balance of system components including photovoltaic panels, inverters, and metering products.

Solar First

1150 Harvard, Berkley, MI 48072

Contact: Ken Mader 248/582-0782

E-mail: SolarFirst@juno.com

Sells, services, and installs solar electric for lighting, pumping, power back-up, and solar pool heating systems.

Solar Works In Michigan *

P.O. Box 414, Tustin, MI 49688

Contact: Mark Tuttle

231/876-9463 or 616/636-4995

E-mail: solarworks@wingsisp.com

Solar Works In Michigan designs, sells, and services solar thermal, photovoltaic, and wind generators for residential systems. We also will contract for system integration for large scale PV including installation.

Sundu Solar Energy *

4080 Doane Hwy, Pottersville, MI 48876

Contact: David Lankheet 517/645-5466

E-mail: sundudave@voyager.net

Sales, installation, and service of solar air, water, and pool heating systems and solar and wind electric systems.

Sustainable Systems

11994 Pleasant Lake, Manchester, MI 48158

Contact: Christopher Coon 734/428-9249

Designs, sells, installs, and services solar hot water and hot air systems, photovoltaic and wind electric systems.

S.U.R. Energy Systems, LC

221 Buena Vista Ave., Ann Arbor 48013

Contact: John Wakeman 734/913-9944

E-mail: john@sur.biz Web: www.sur.biz

Wind generator, solar electric, and solar thermal system sales, design, & installation. Licensed builder. Environmentally sensitive building/ remodeling. Visa, MC.

United Solar Ovonic

3800 Lapeer Road, Auburn Hills, MI 48326

Contact: Robert Kiessling 248/475-0100

E-mail: info@uni-solar.com

Web: www.uni-solar.com

UNI-SOLAR features a variety of aesthetic thin film photovoltaic systems for commercial, industrial, residential markets. It is flexible, durable, easy to install and offers outstanding performance.

* These companies have individuals trained and certified as photovoltaic installers by the Great Lakes Renewable Energy Assoc.
